PETITION ANTI-SALOON LEAGUE.
Lynchburg Merchanis Want Local Option Election Pestponed.
[Special to The Times-Dispatch.]
LYNCHBURG, VA., Gotober 27.—A petition is being circulated in the city Asking the executive committee of the Anti-Saloon League to defer action for the present in its petition to the Corporation Court for a local option election. It is understood that it was the intention of the league to begin at once with its canvass for petitioners for the election, but this petition may cause a temporary postponment.

It is also understood that the Retail Merchanis' Association has asked the committee for a hearing on the question of postponing the election until after the Christmas trade is over, this request having been made before the circulation of the petition for a postponement of action.

There seems to De no doubt but an election will be held. The original program was to ask for it for early in December, but there is no telling what will be done now in face of this petition which is being signed by "drys" as well as "weis."

ABRUZZI GETS MESSAGE

Scaled Packet From the King May Bear on His Marriage.

TURIN. October 27.—A special courier arrived here to-day with a scaled message from King Victor Emmanuel to the Duke of the Abruzzi, which, it is believed, contains the King's decision with regard to the marriage of the duke and Miss Katherine Elkins. This belief is strengthened by the fact that the duke, after reading the message, sent for the official notary of his house and discussed with him delicate points with reference to his patrimony.

It is reported here that the Dowager Queen Margherita remains immovable in her attitude of opposition to the marriage, but that the duke has declared he will have his own way in spite of opposition.

The well known Winchester family, and Mass Ida Belle Foreman, daughter of James I oreman, of Capon Bridge, W. Va., were married here this evening by Rev. T. K. Cromer, of Centenary Reformed Church. They will reside here.

Murder of R. W. F. Alston.

[Special to The Times-Dispatch.]
ASHEVILLE, N. C., October 27.—Lee

at Columbus, Polk county, for the
murder of R. W. F. Alston, at Lynn
last March, was found guilty of murder in the second degree, and sentenced by Judge Ferguson to fifteen

Lee alleged that he killed Alston
in self-defense and in the protection
of his home, asserting that Mrs. Lee
Fisher had been insulted by the dead,

improper manner a short time previous
to the killing. Mrs. Fisher testified as

had some hot words with Alston, and
that after he (Fisher) had threatened
to shoot, Alston had thrown his hand
to his pocket as if about to draw a
weapon, whereupon Fisher shot him.

The Drosecutjon, however, showed
by three witnesses that Fisher rode
up to where Alston was standing and
that some words passed between the
men relative to the trimming of some
grape vines; that Fisher finally remarked: "I'll shoot your G— d— heart
out," whereupon Alston replied,
"Shoot."

Politics on the Isle of Ponics.

CHINGOTEAGUE, VA., October 27.—
Last night was a gala occasion for the Democrats of this Island. Two political meetings were held here toninght at the same time by the supporters of the two old political parties, and the Democrats are jubilant.

For a week or more it has been advertised that George N. Wise, the Republican candidate for Congress from this district, and dis cousin, Captain John S. Wise, of the city of New York, would address the people here to-night.

Only two days ago it was made known that the Democrats would also have a menu on hand in the person of Hon, T. J. Douring, from Lancaster country, to represent the Democratic idea. As soon as this was known the local Democratic authorities put up big posters giving notice of the same, and publicly challenging the Republican orators to a joint debate, and the managers of the Democratic meeting personally requested and invited Candidate Wise and his cousin to join Mr. Dowing in a discussion of the issues before the people, but they declined. The Republicans held forth in the hall nearby.
